

# FEED ME!

Know what I do at night?  
 Eat your trash, that's what. And now  
 I'm hungry for Alphabet Soup! Can you follow  
 the special **STINKY** recipe?

1. Color the items you think **STINK** the most, **GREEN**.
2. Circle the items you have in your garbage at home.
3. Underline all the food items.
4. Draw a box around the items that you can wear (when they aren't so **STINKY**).
5. Add three more items at the bottom of this page that would make the Alphabet Soup **EXTRA STINKY!**

Banana peels

Candy wrappers

Dirty diapers

Eggshell

Gobs and gobs of gum

Half-eaten hot dogs
